

Analysis

- SportsCode's Dynamic Code Matrix cleverly pulls together vital statistical information with the corresponding video
- Isolate game breaking information by collating & displaying key statistics live in the Code & Statistics Window

Making Movies

- View Instances in multiple window sizes
- Replay video at different speeds, frame by frame, fast forward/backward
- View single instances or compile multiple instances and make a movie
- Present a movie on your computer or an external device

Search

- Quickly locate and review events, even across timelines and folders
- Unlimited search combinations
- Perform multi levelled Boolean search routines
- Search for data from 1 game or event or across entire season or database
- Find and review events from the Code Matrix
- Set up Boolean (and, or and not) search criteria within the Matrix
